GLUE-DOWN ROLLS

THE WATER-RESISTANT CORK FLOORING IN A ROLL!

Corkoleum features a top layer of decorative cork, underneath which is a thin layer of polyurethane (PU) backed by a composite of cork and recycled rubber. A uniquely versatile product, Corkoleum can be used for living rooms, bedrooms, bathrooms, kitchens, libraries, physiotherapy rooms and gyms. Other creative applications include boats, RVs, custom jets, buses, staircases, walls, dividers, counter tops and more!

100% RAPIDLY RENEWABLE

The premium cork used in our products comes from the bark of cork oak trees grown in Portugal. Regenerating every nine years, the trees are left unharmed when the bark is harvested.
